

# Critical Area Sign Installation Guidelines

## Critical Area Sign Installation Guidelines

### Notes:

1. Critical Area signs shall be placed no greater than 300 feet apart around the perimeter of the Critical Area. Minimum placement shall include at least one sign per Critical Area and at least one sign shall be placed in any lot that borders a Critical Area, unless otherwise approved by City of Shoreline.
2. Sign placement shall be subject to the approval of City of Shoreline. Alternate sign design, mounting or materials may be submitted to City of Shoreline for approval.
3. All signs must be secure and permanent.
4. It is the responsibility of the land owner to maintain and replace, if necessary, all permanent field markings.
